## Welcome to Tasmania, the host state for Cit-in 2024 “Our Little Secret”

Devonport is a city on Tasmania North West Coast, where the Mersey River meets Bass Strait. By strolling along the coastal trail to The Bluff one can encounter Aboriginal rock carvings. Alternatively, relax on the beaches or install yourself in a charming park and enjoy the natural surroundings.

A ride on the Don River Railway steam train to Coles Beach is a nice way to entertain yourselves and see the sights along the eastern banks of the Don River.

On the waterfront, visit the The Bass Strait Maritime Centre to learn more about the intriguing maritime history of the city.

Immerse yourself in Tasmanian art at the Devonport Regional Gallery.

Learn about the traditional lifestyle of Tasmanian Aboriginal people at the Tiagarra Aboriginal Culture Centre and Museum, which displays petroglyphs and designs in rock. Along the waterfront you'll also find more galleries and craft shops.

Devonport's Historic Tall Ship Julie Burgess is a working wooden boat. A ship of significance to Australia's Maritime Heritage.

Enjoy a unique experience and embody the spirit of adventure on board the Julie Burgess as you sail out of the Mersey River and into the Bass Strait and get close to nature and admire the scenic beauty of the North West Coast.

Devonport is a great hub for exploring the North West Coast and there's plenty to discover in the city itself as well. Visitors can enjoy the beautiful views and take advantage of the proximity of some of Tasmania's most popular destinations.

Once you visit, you'll understand why, we promise, you'll want to come back. Again. And again.
